

WHAT'S NEW IN THE WINNEBAGOLAND DIVISION

[Check here often for updates from your WLD Officers and other NMRA News!](#)

7-11-11: Major news concerning the upcoming Fall Meet in Sheboygan! You won't want to miss this event. We are planning multiple clinics on the prototype as well as modeling symposiums. Over a dozen are planned! Full details will appear in the next Whistle as well as a mailing to all NMRA members in our division! Look for this in mid-August and plan on being in Sheboygan on October 1st, 2011.

6-20-11: At our last BOD Meeting, major progress was made on the 501c3 application. Soon we will be applying for such status.

5-15-11: A GREAT Turnout for our Spring Meet! Full details will be found in the Summer and Fall issues of the online Winnebagoland Whistle. The WLD hosted over 125 modelers! Lots of great models to see and well over a dozen clinics made this show a special one.
